

POSTER POSITION #

What is their topic on?

- Is the title consistent with the topic? In other words does the title make sense for the project?

Are the objectives of the project clearly identifiable?

- What are they wanting to study?
- What is the motivation of this project?
- What does the presenter hope to accomplish with this project?

What data are used?

- What website(s) are scraped?
- Are other data brought in from outside sources? If so, what are they and how do they add to the project?

What is your overall impression of the project?

Other encouragements/critiques you would like to provide to your colleague in order for them to have a more refined project.
